

## Ankle Magnet Safety & Instructions

### Safety:

- ALWAYS put on and remove ankle magnets with them connected together.
- Do not attempt to remove magnets from pockets. The magnets are very strong, please use with caution. This is NOT a toy.
- Children under 8 should be supervised at all times around the ankle magnets.
- Store magnets securely and away from small children when not in use.
- Keep fingers away from magnets when joining straps together to avoid injury (this is why we recommend keeping them connected) until securely fitted on the legs.
- If the straps or magnets become broken or damaged you must stop using Immediately.

### How to use:

- Firmly fasten straps to ankles with both logos facing right-way-up.
- Make sure magnet sections face towards centre.
- Begin with basic skills before progressing onto more advanced skills.

### Caution:

Injury could result from improper use of this product. This product should only be used with proper supervision and for its intended purpose.
